

I

The System Revenues (other than revenues derived from the Sewer Tax and any other tax revenues that constitute System Revenues) that remain after the payment of Operating Expenses, subject, however, to the right of the County to receive and use any or all of such revenues that are deemed "surplus revenues" under Section 11.6 hereof after all prior and current obligations of the County hereunder have been satisfied to the extent required to be satisfied from the System Revenues;

II

All moneys from whatever source derived that are required by the Indenture to be deposited from time to time in the Debt Service Fund and the Reserve Fund, together with any investments and reinvestments of such moneys and the income or proceeds thereof; provided that the pledge and assignment herein made with respect to the Reserve Fund shall be only for the benefit and security of the Holders of Parity Securities of those particular series that are secured by the Reserve Fund and, in particular, shall not be for the benefit and security of the Holders of the Series 1997-C Warrants; and

III

Any and all moneys, rights and properties of every kind or description which may from time to time hereafter be sold, transferred, conveyed, assigned, hypothecated, endorsed, deposited, pledged, mortgaged, granted or delivered to, or deposited with, the Trustee by the County or anyone on its part as additional security for the payment of all or any specified series of the Parity Securities, or which pursuant to any of the provisions hereof, may come into the possession or control of the Trustee as such additional security; and the Trustee is hereby authorized to receive any and all such moneys, rights and properties as and for additional security for the payment of all or any specified series of the Parity Securities and to hold and apply the same subject to the terms and conditions of the Indenture;

TO HAVE AND TO HOLD the same unto the Trustee, its successor trustees and assigns forever, subject to Permitted Encumbrances; IN TRUST NEVERTHELESS, upon the terms and trusts herein set forth, for the equal and pro rata protection and benefit of the Holders, present and future, of the Parity Securities, equally and ratably, without preference, priority or distinction of any over others by reason of priority in issuance or acquisition or otherwise, as if all the Parity Securities at any time outstanding had been executed, sold, authenticated, delivered and negotiated simultaneously with the execution and delivery hereof; subject, however, to the conditions contained herein requiring the preferential application of certain moneys with respect to the various series of the Parity Securities, and subject further to the right and duty of the Trustee to apply solely for the benefit of the Holders of any particular series of the Parity Securities all moneys, rights and properties that are pledged or otherwise contractually obligated for the sole and exclusive benefit of the Holders of such particular series of the Parity Securities;

PROVIDED, HOWEVER, that this Indenture is upon the condition that if the County shall pay or cause to be paid the principal of and the interest and premium (if any) on all Parity Securities secured hereby at the times and in the manner provided in the Parity Securities, according to the true intent and meaning thereof, or shall provide for such payment as specified in Section 16.1 hereof, and shall pay or cause to be paid all other Indenture Indebtedness, then the Indenture and the estate and rights granted hereby shall cease, determine and be void; otherwise the Indenture shall be and remain in full force and effect.

Section 2.2 **Parity Securities Not General Obligations.** The principal of and the interest and premium (if any) on the Parity Securities shall be payable solely from the sources of payment provided therein and herein. Neither the Parity Securities nor the Indenture shall be a general indebtedness or pledge of the full faith and credit of the County or a claim on the taxing power of the County or charge against any debt limit imposed on the County by the constitution or laws of the State of Alabama.

ARTICLE III

ISSUANCE OF PARITY SECURITIES IN SERIES

Section 3.1 **Issuance of Parity Securities in Series.** The Parity Securities may be issued in different series, and each Parity Security shall have an appropriate series designation. All the Parity Securities of every series shall be equally and ratably secured by the Indenture, it being expressly understood and agreed that no Parity Securities issued hereunder shall be prior to any other Parity Securities thereafter issued hereunder, but shall be on a parity therewith with respect to the security afforded by the Indenture.

Section 3.2 **Dates and Places of Payment of Parity Securities.** Subject to any applicable provisions pertaining to the dating of Parity Securities issued pursuant to the provisions of either Section 5.2 or 5.3 hereof, the Parity Securities of each series shall bear such date or dates as shall be specified in the Indenture or Supplemental Indenture under which such series is issued. Subject to compliance with the Act, the Parity Securities of each series shall mature on such dates and in such amounts, shall be subject to redemption on such dates and on such terms and conditions, and shall bear interest for such periods, at such rate or rates and payable on such dates, all as shall be fixed, prior to the issuance of such Parity Securities, in this Indenture or in the Supplemental Indenture under which such Parity Securities shall be issued. All installments of principal of and interest and premium (if any) on each series of the Parity Securities shall bear interest after the respective due dates of such principal, interest and premium (if any) until paid or until moneys sufficient for payment thereof shall have been deposited for that purpose with the Trustee, whichever first occurs, at such per annum rate or rates and subject to such grace period (if any) as shall be specified prior to their issuance. The principal of and the interest and premium (if any) on the Parity Securities shall be payable in lawful money of the United States of America.

The principal of and the premium (if any) on the Parity Securities shall be payable at the principal office of the Paying Agent, upon presentation and surrender of the Parity Securities as the same become due. In case any Parity Security is called for partial redemption, the redemption price of the principal thereof so called for redemption shall be payable at the principal office of the Paying Agent (a) upon presentation and surrender of such Parity Security in exchange for a new Parity Security or Parity Securities of the same series and in authorized denominations having an aggregate principal amount equal to the unredeemed portion of the principal of the Parity Security so surrendered, or (b) upon presentation of such Parity Security for an appropriate endorsement by the Paying Agent of such partial redemption on such Parity Security or on any record of partial redemptions appertaining thereto and constituting a part thereof. The interest on the Parity Securities shall be paid by check or draft mailed or otherwise delivered by the Paying Agent to the respective Holders thereof as of the applicable Record Date at their addresses as they appear on the registry books of the Paying Agent pertaining to the registration of the Parity Securities; provided, however, that the final payment of such interest shall be made only upon surrender of the appropriate Parity Security to the Paying Agent.

Section 3.3 Form of Parity Securities, Etc. The Series 1997-A Warrants, the Series 1997-B Warrants and the Series 1997-C Warrants, together with the authentication certificate of the Trustee applicable thereto, shall be in substantially the forms respectively provided therefor in Sections 7.6, 8.3 and 9.6 hereof. The Parity Securities of each series of Additional Parity Securities and the authentication certificate of the Paying Agent and the record of partial redemptions (if any) applicable thereto shall be in substantially the form respectively provided therefor in the Supplemental Indenture under which such Additional Parity Securities are issued, which shall in general be similar to the form applicable to the Series 1997 Warrants, with such insertions, omissions and other variations as may be necessary to conform to the provisions hereof and such Supplemental Indenture.

ARTICLE IV

EXECUTION AND AUTHENTICATION OF THE PARITY SECURITIES

Section 4.1 Execution of Parity Securities. The Parity Securities shall be executed by the President of the Governing Body, and the seal of the County shall be affixed thereto and attested by the Minute Clerk of the Governing Body; provided that the signatures of the said officers on the Parity Securities may be facsimiles of their actual signatures; and provided further that a facsimile of the seal of the County may be imprinted on the Parity Securities rather than manually affixed thereto. Signatures on the Parity Securities by persons who were officers of the County at the time such signatures were written or printed shall continue effective although such persons cease to be such officers prior to the authentication of the Parity Securities or the delivery thereof.

Section 4.2 Authentication Certificate of the Paying Agent. A duly executed authentication certificate by the Paying Agent shall be endorsed on each of the Parity Securities, and no Parity Security shall be valid or obligatory for any purpose unless and until such authentication certificate shall have been duly executed by the Paying Agent. Each such certificate shall recite, in substance, that the Parity Security on which it is endorsed is one of the Parity Securities described in the Indenture. The executed authentication certificate of the Paying Agent endorsed upon any Parity Security shall be conclusive evidence of the due authentication, issue and delivery of such Parity Security under the Indenture.

Section 4.3 Replacement of Mutilated, Lost, Stolen or Destroyed Parity Securities. In the event any Parity Security is mutilated, lost, stolen or destroyed, the County may execute, and the Paying Agent shall thereupon authenticate and deliver, a new Parity Security of like tenor as that mutilated, lost, stolen or destroyed; provided that (i) in the case of any such mutilated Parity Security, such Parity Security is first surrendered to the Paying Agent, and (ii) in the case of any such lost, stolen or destroyed Parity Security, there is first furnished to the Paying Agent evidence of such loss, theft or destruction satisfactory to the Paying Agent (with such evidence to be also furnished to the County if requested), together with indemnity satisfactory to the Paying Agent (and to the County if requested); provided that if the Person claiming ownership of such lost, stolen or destroyed Parity Security is a bank or an insurance company, its own written agreement of indemnity shall be deemed to be satisfactory. The County and the Paying Agent may charge the Holder with the expenses of issuing any such new Parity Security. In lieu of issuing a new Parity Security to replace any mutilated, lost, stolen or destroyed Parity Security which shall have already matured, the Paying Agent may pay such Parity Security at or after the maturity thereof if the Holder of such Parity Security satisfies the same terms and conditions as those provided in the preceding provisions of this section for the replacement of such Parity Security.

ARTICLE V

REGISTRATION, TRANSFERS AND EXCHANGES OF THE PARITY SECURITIES

Section 5.1 Book-Entry Procedures Applicable to Series 1997 Warrants. (a) Except as provided in Section 5.1(c) hereof, the registered owner of all of the Series 1997 Warrants shall be The Depository Trust Company ("DTC") and the Series 1997 Warrants shall be registered in the name of Cede & Co., as nominee of DTC. Payment of semiannual interest for any Series 1997 Warrant registered as of a Record Date in the name of Cede & Co. shall be made by wire transfer to the account of Cede & Co. on the Interest Payment Date at the address indicated on the Record Date for Cede & Co. in the registry books of the County kept by the Paying Agent.

(b) The Series 1997 Warrants shall be initially issued in the form of a separate single authenticated fully registered warrant in the principal amount of each separately stated maturity. Upon initial issuance, the ownership of each such Series 1997 Warrant shall be registered in the

registry book of the County kept by the Paying Agent in the name of Cede & Co., as nominee of DTC. The Paying Agent and the County may treat DTC (or its nominee) as the sole and exclusive owner of the Series 1997 Warrants registered in its name for the purposes of payment of the principal or redemption price of or interest on such Series 1997 Warrants, selecting such Series 1997 Warrants or portions thereof to be redeemed, giving any notice permitted or required to be given to Holders of Series 1997 Warrants under the Indenture, registering the transfer of Series 1997 Warrants, obtaining any consent or other action to be taken by Holders of Series 1997 Warrants and for all other purposes whatsoever; and neither the Paying Agent nor the County shall be affected by any notice to the contrary. Neither the Paying Agent nor the County shall have any responsibility or obligation to any DTC participant, any Person claiming a beneficial ownership interest in the Series 1997 Warrants under or through DTC or any DTC participant, or any other Person which is not shown on the registration books of the County kept by the Paying Agent as being a Holder of Series 1997 Warrants. The County and the Paying Agent shall have no responsibility with respect to the accuracy of any records maintained by DTC, Cede & Co. or any DTC participant with respect to any ownership interest in the Series 1997 Warrants; the payment by DTC or any DTC participant to any beneficial owner of any amount in respect of the principal or redemption price of or interest on the Series 1997 Warrants; the delivery to any DTC participant or any beneficial owner of any notice which is permitted or required to be given to Holders of the Series 1997 Warrants under the Indenture; the selection by DTC or any DTC participant of any Person to receive payment in the event of a partial redemption of the Series 1997 Warrants; or the authority for any consent given or other action taken by DTC as the Holder of Series 1997 Warrants. The Paying Agent shall pay all principal of and premium, if any, and interest on the Series 1997 Warrants only to Cede & Co., as nominee of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the County's obligations with respect to the principal of and premium, if any, and interest on such Series 1997 Warrants to the extent of the sum or sums so paid. Upon delivery by DTC to the Paying Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co. and direction to effect such change on the registry books maintained by the Paying Agent, the term "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

(c) In the event the County determines that it is in the best interest of the beneficial owners of the Series 1997 Warrants that they be able to obtain warrant certificates, the County may notify DTC and the Paying Agent of the availability through DTC of warrant certificates. In such event, the Paying Agent shall issue, transfer and exchange warrant certificates as requested by DTC and any other Holders of Series 1997 Warrants in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Series 1997 Warrants at any time by giving notice to the County and the Paying Agent and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the County and Paying Agent shall be obligated to deliver warrant certificates as described in the Indenture. In the event warrant certificates are issued to Holders of the Series 1997 Warrants other than DTC, the provisions of Article V of the Indenture shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of and interest on such certificates. Whenever DTC requests the County and the Paying Agent to do so, the County and the Paying Agent will cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Series 1997 Warrants to any DTC participant having Series 1997 Warrants credited to its DTC account or (ii) to arrange for

another securities depository to maintain custody of certificates evidencing the Series 1997 Warrants.

(d) Notwithstanding any other provision of the Indenture to the contrary, so long as any Series 1997 Warrant is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of and premium, if any, and interest on such Series 1997 Warrant and all notices with respect to such Series 1997 Warrant shall be made and given to DTC as provided in the Representation Letter to be signed by the County and the Paying Agent on or prior to the date of issuance and delivery of the Series 1997 Warrants and accepted by DTC. Without limitation of the foregoing, so long as any Series 1997 Warrant is registered in the name of Cede & Co., as nominee of DTC, the Paying Agent shall send a copy of any notice of redemption by overnight delivery not less than thirty (30) days before the redemption date to DTC, but such mailing shall not be a condition precedent to such redemption and failure to so mail any such notice (or failure of DTC to advise any DTC participant, or any DTC participant to notify the beneficial owner, of any such notice or its content or effect) shall not affect the validity of the proceedings for the redemption of the Series 1997 Warrants.

(e) In connection with any notice or other communication to be provided to Holders of the Series 1997 Warrants pursuant to the Indenture by the County or the Paying Agent with respect to any consent or other action to be taken by Holders of the Series 1997 Warrants, so long as any Series 1997 Warrant is registered in the name of Cede & Co., as nominee of DTC, the County or the Paying Agent, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

(f) In the event of any inconsistency between the provisions of this Section 5.1 and any other provision of the Indenture or the forms of Series 1997 Warrants, the provisions of this Section 5.1 shall govern so long as warrant certificates have not been issued to the Holders of the Series 1997 Warrants other than DTC in accordance with Section 5.1(c) hereof.

Section 5.2 Registration and Transfer of Parity Securities. The Paying Agent for each series of Parity Securities shall be the registrar and transfer agent of the County with respect to such series and shall keep at its principal office proper registry and transfer books in which it will note the registration and transfer of such Parity Securities as are presented for those purposes, all in the manner and to the extent hereinafter specified.

The transfer of any Parity Security may be registered only upon the books kept by the Paying Agent, as registrar and transfer agent for the County, for the registration and registration of transfer of Parity Securities upon surrender thereof at the office of the Paying Agent with written power to transfer signed by the Holder thereof in person or by duly authorized attorney, properly stamped if required, in form and with guaranty of signature satisfactory to the Paying Agent. Upon any such transfer the County shall execute, and the Paying Agent shall authenticate and deliver to the transferee, a new Parity Security registered in the name of such transferee and of like tenor as that presented for transfer.

Any Series 1997-A Warrant or Series 1997-B Warrant authenticated and delivered pursuant to the provisions of this section shall be dated February 1, 1997. Any Series 1997-C Warrant authenticated and delivered pursuant to the provisions of this section shall be dated February 15, 1997. Any Additional Parity Security authenticated and delivered pursuant to the provisions of this section shall be dated in accordance with the provisions of the Supplemental Indenture under which such Additional Parity Security is issued.

The Paying Agent shall not be required to transfer any Parity Security during the period of fifteen days next preceding any Interest Payment Date with respect thereto or, if such Parity Security is duly called for redemption (in whole or in part), during the period of thirty days next preceding the date fixed for such redemption.

Section 5.3 Exchange of Parity Securities. The Parity Securities of each series shall be freely exchangeable within the limits provided in the Indenture or Supplemental Indenture under which such series is issued; provided, however, that under no circumstances shall a Parity Security be issuable in exchange for other Parity Securities unless all the Parity Securities being so exchanged are of the same series, bear interest at the same rate and have the same stated maturity. Upon the request of the Holder of any Parity Security in a principal amount greater than the minimum authorized denomination applicable to the series to which such Parity Security belongs, the County shall execute, and the Paying Agent shall thereupon authenticate and deliver, upon surrender to the Paying Agent of such Parity Security and in exchange therefor, two or more Parity Securities of like tenor as the Parity Security so surrendered and in authorized denominations aggregating the same principal amount as the Parity Security so surrendered. Upon the request of the Holder of two or more Parity Securities the County shall execute, and the Paying Agent shall thereupon authenticate and deliver, upon surrender to the Paying Agent of such Parity Securities and in exchange therefor, a new Parity Security or Parity Securities of like tenor in different authorized denominations and aggregating the same principal amount as the then unpaid principal amount of the Parity Securities so surrendered. Any Parity Securities surrendered for exchange pursuant to the provisions of this section shall be accompanied by a written power to transfer signed by the Holder thereof in person or by duly authorized attorney, properly stamped if required, in form and with guaranty of signature satisfactory to the Paying Agent.

Any Series 1997-A Warrant or Series 1997-B Warrant authenticated and delivered pursuant to the provisions of this section shall be dated February 1, 1997. Any Series 1997-C Warrant authenticated and delivered pursuant to the provisions of this section shall be dated February 15, 1997. Any Additional Parity Security authenticated and delivered pursuant to the provisions of this section shall be dated in accordance with the provisions of the Supplemental Indenture under which such Additional Parity Security is issued.

The Paying Agent shall not be required to exchange any Parity Security pursuant to the provisions of this section during the period of fifteen days next preceding any Interest Payment Date with respect thereto or, if such Parity Security shall be duly called for redemption (in whole or in part), during the period of thirty days next preceding the date fixed for such redemption.

Section 5.4 Persons Deemed Owners of Parity Securities. The Person in whose name a Parity Security is registered on the books of the Paying Agent shall be the sole Person to whom or on whose order payments on account of the principal thereof and of the interest and premium (if any) thereon may be made. The County and the Paying Agent may deem and treat the Person in whose name a Parity Security is registered as the absolute owner thereof for all purposes; they shall not be affected by notice to the contrary; and all payments by either of them to the Person in whose name a Parity Security is registered shall to the extent thereof fully discharge and satisfy all liability for the same.

Section 5.5 Expenses of Transfer and Exchange. The County and the Paying Agent may charge the Holder with their reasonable fees and expenses in connection with any transfer or exchange of any of the Parity Securities (including, without limitation, the expenses of printing any new Parity Securities that may be necessitated by any transfer or exchange after the exhaustion of an initial supply of Parity Securities for a reasonable number of such transfers and exchanges); provided, however, that no charge shall be made for the issuance of a new Parity Security issued, pursuant to the provisions of Section 6.2 hereof, as a result of a call for partial redemption of any Parity Security. In every case involving any transfer or exchange of any of the Parity Securities that is requested by the Holder thereof, such Holder shall pay all taxes and other governmental charges required to be paid in connection with such transfer or exchange.

ARTICLE VI

GENERAL PROVISIONS RESPECTING REDEMPTION OF PARITY SECURITIES

Section 6.1 Manner of Effecting Redemption of Parity Securities. Any redemption of any Parity Securities of any series shall be effected in the following manner:

(a) Call. The Governing Body shall adopt a Resolution containing the following: (1) a call for redemption, on a specified date when they are by their terms subject to redemption, of Parity Securities bearing a stated series designation or designations and having specified maturities (and, in the case of the partial redemption of any Parity Securities, the respective principal amounts thereof to be redeemed); (2) unless all the Parity Securities then outstanding are to be redeemed (or unless a portion of all such outstanding Parity Securities are to be redeemed and the remainder are, simultaneously with or prior to such redemption, to be otherwise retired), a statement that no Event of Default has occurred and is continuing; and (3) a summary of all applicable restrictions upon or conditions precedent to such redemption and the provisions made to comply therewith; provided, however, that it shall not be necessary for the Governing Body to adopt any such Resolution in the case of any redemption of Series 1997-A Warrants pursuant to the provisions of Section 7.3 hereof, any redemption of Series 1997-C Warrants pursuant to Section

9.3 hereof or the redemption of the Parity Securities of any series of Additional Parity Securities, if such redemption is required by the terms of the Supplemental Indenture under which such series of Additional Parity Securities is issued or if, in such Supplemental Indenture, the adoption of such Resolution is expressly stated to be unnecessary.

(b) Notice by Mail. With respect to any Parity Securities called for redemption, in whole or in part, the Paying Agent (on behalf of the County) shall cause to be forwarded to the Holder thereof a notice by registered or certified mail stating the following: that Parity Securities bearing a stated series designation or designations and having specified maturities (and, in the case of the partial redemption of any Parity Securities, the respective principal amounts thereof to be redeemed) have been called for redemption and will become due and payable at the applicable redemption price or redemption prices on a specified redemption date, and that all interest thereon will cease after such redemption date if prior to such date, or not later than 10:00 o'clock, A.M., on such date, the total redemption price of the Parity Securities (or portions thereof) so called for redemption, together with the accrued interest thereon to such date, has been deposited with the Paying Agent. Such notice shall be so mailed not more than sixty (60) nor less than thirty (30) days prior to the date fixed for redemption [or, in the case of Series 1997-C Warrants called for optional redemption, not more than ninety (90) nor less than forty-five (45) days prior to the date fixed for redemption], but Holders of any Parity Securities may waive the requirements of this subsection with respect to the Parity Securities held by them without affecting the validity of the call for redemption of any other Parity Securities.

(c) Deposit. Prior to the date fixed for redemption the County shall deposit or cause to be deposited with the Paying Agent the total redemption price of the Parity Securities (or portions thereof) so called for redemption (as such redemption price is specified herein or in the Supplemental Indenture under which such Parity Securities are issued) in funds that will be immediately available no later than the opening of business on the date fixed for redemption and shall furnish to the Paying Agent the following: (i) a certified copy of the Resolution required by subsection (a) of this section (if, under the circumstances, the adoption of any such Resolution is required); and (ii) when such redemption is made subject, by the terms of the Indenture or any Supplemental Indenture, to any other restriction or requirement, evidence satisfactory to the Paying Agent showing compliance with such restriction or requirement.

Section 6.2 Presentation of Parity Securities for Redemption; Parity Securities Called for Redemption to Cease to Bear Interest. Upon compliance by the County and the Paying Agent with the requirements of Section 6.1 hereof [and, unless all the Parity Securities then outstanding are to be redeemed (or unless a portion of such outstanding Parity Securities are to be redeemed and the remainder are, simultaneously with or prior to such redemption, to be otherwise

retired), if the County is not on the redemption date in default in payment of the principal of or the interest (or premium, if any) on any of the Parity Securities], the Parity Securities so called for redemption (or, in the case of any Parity Securities called for partial redemption, the portions thereof called for redemption) shall become due and payable at the place or places at which the same shall be payable at the redemption price or prices and on the redemption date specified in such notice, anything herein or in the Parity Securities to the contrary notwithstanding and the Holders thereof shall then and there surrender them for redemption; provided, however, that with respect to any Parity Security called for partial redemption, (i) the Holder thereof shall surrender such Parity Security to the Paying Agent in exchange for one or more new Parity Securities of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the Parity Security so surrendered or (ii) such Holder shall, in lieu of surrendering such Parity Security in exchange for a new Parity Security or Parity Securities, present the same to the Paying Agent for endorsement thereon (or on any record of partial redemptions appertaining thereto and constituting a part thereof) of the payment of the portion of the principal thereof so redeemed. All future interest on the Parity Securities so called for redemption (or, in the case of any Parity Securities called for redemption in part, the portions thereof called for redemption) shall, subject to the deposit required by subsection (c) of Section 6.1 hereof having been made, cease to accrue after the date fixed for redemption. The Parity Securities so called (or, in the case of any Parity Securities called for redemption in part, the portions thereof called for redemption) shall, subject to such deposit having been made, no longer be entitled to the benefit of the lien hereof but shall look solely to the moneys deposited with the Paying Agent under the provisions of this article; and out of the moneys so deposited with it, the Paying Agent shall pay on the redemption date the applicable redemption price or prices of the Parity Securities so called for redemption (or, in the case of any Parity Securities called for redemption in part, the portions thereof called for redemption).

Section 6.3 Pro Rata Redemption of Parity Securities of Different Series Not Required. Nothing contained in the Indenture shall be construed as requiring pro rata redemption of Parity Securities of different series, even though at the time that any redemption of Parity Securities is to be effected there are then outstanding Parity Securities of two or more series then subject to redemption.

ARTICLE VII
